Return Service Requested

many persons in our group have never met before, even though they have been parishioners at St. Francis for many years. This is a big parish and so we really enjoy our small group of about 50 seniors each month. Our Senior Citizen Leadership Team plans our gatherings & invites speakers to present on topics such as: humor, practical exercises, & interesting facts. We have lunch together, a little time of prayer, we love to play games and celebrate life! For more information see the weekly Forum, or call Scott Wright (821-2121) at the parish office.
