

Senior Citizens @ St. Francis

Will we get in trouble if we have too much fun?

This summer has been delightful, we had in July , The Huron River: History & Narrative; in August, Aging with Grace & Dignity, and now for September, we are excited to host our bishop & 250 seniors from all of the parishes in Washtenaw County.

All senior citizens are invited and Welcome to our monthly meetings for a time of socializing, a presentation and, a light lunch. We're looking forward to:

September 15: SENIOR APPRECIATION Mass & luncheon

October 14: Prayer in Motion

November 11: Long Life - Spirituality

December 9: Singing & Story telling with our School Children

We want to meet you. Come join us!
