

Thanks to everyone who helped make the Oktoberfest a success!

The fundraiser dinner and silent auction were a huge success for the youth and young adults heading to World Youth Day 2005 in Germany next August.

Our master pig roasters spent an entire Saturday in the Church parking lot!

Dozens of pilgrims and their families served the German fare to the crowd.

The silent auction and the dinner helped raise money for the World Youth Day 2005 pilgrims.

High School Retreat

. . . Into the Woods!

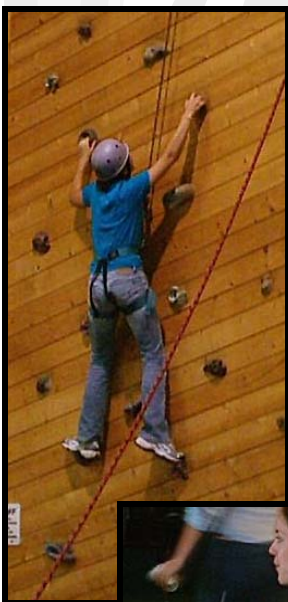

Over Halloween weekend, many of our High School Youth Group headed “Into the Woods” for the fall retreat.

They spent the weekend in prayer, reflection, discussion, and song.

Of course they also managed to enjoy the rock climbing wall, open gym, the great outdoors, and good food.

After a great retreat, everyone is looking forward to the next retreat March 4-6, 2005!

A special thanks to Ellen Rhein for all her photos!
