Parish 2007 Lenten Project: Progress Report Adopt-a-House - Rebuild-a-Home

This report and photos are brought to us thanks to Mary Wakefield, a St. Francis Parish member who visited New Orleans in May. Mary was a member of one of our past St. Francis **Going South** groups that went to New Orleans to help gut houses.

Mary Wakefield, said, "It was refreshing to see building going on in New Orleans while I was there May 19-20, 2007. Through Catholic Charities - New Orleans (staff: Debbie Koehler) I met a wonderful home owner, Mrs. Doris Aubrey." (photo above: Mary & Doris)

To date (5/20/2007), Catholic Charities - New Orleans have gutted 1800 homes and senior apartments. The renovations have begun thanks to the joint efforts of various volunteer groups under the Catholic Charities organization and Habitat for Humanity for two examples. Note: Again financial support like St. Francis Parish 2007 Lenten Project sent for Ms. Rowena's home and other homes are invaluable contributions that helped to support the poor, disabled, and elderly in rebuilding their homes in New Orleans after the flood damage of Hurricane Katrina.

Ms. Doris Aubrey showed where the water level settled in the first floor of her two story home (photo left). Her home is being restored and as she described, with a smile, "You have to be a kin of Job." This room had held musical instruments and family treasures all lost in the flooding from the breach of the London Avenue Canal.

Ms. Doris Aubrey has a garden she is revitalizing in the back, she is still in her FEMA trailer on the property but soon will be in her home. She has gone thru the application, inspection, final clean up, mold remediation, contractor, her own money, and she is still

waiting for ROAD HOME support and still smiling!

Ms. Aubry raised 5 children in this home. We are in the kitchen with some of the new cabinets in. This is where money from parishes like ours is going.

Debbie Koehler in the red shirt took me to visit another Catholic Charities site, showing again

how invaluable donations of money and time are here. This group is from the POHLAD FOUNDATION (owns the Minnesota Twins) NOTE: the man at the top of the ladder spent part of his life in Michigan and started singing the UM FIGHT SONG!

The music is calling us all to visit our Gulf Coast neighbors.

YA²ACHT— Young Adults

[married or single 20-30's]

In March, our young adults went on retreat. We had a fabulous time at the Howell Nature Center as we reflected on Lent, spent some quality time in nature, and saw the mess that 10 cooks could leave in a commercial kitchen. It was a great experience and everyone is looking forward to next spring's retreat.

The Living Way of the Cross

On Good Friday, our teens presented this year's Living Way of the Cross. Fully entering into the roles they played, they made the Way of the Cross a meaningful experience for all who attended.

We speak in many languages... Kimberly Ancheta (Philippines) proclaims the second reading in Tagalog.

Pentecost 2007

Sunday, May 27th was Pentecost Sunday - the birthday of the Church. Here at St. Francis, we remembered God's gift of the Holy Spirit and the Spirit's continual presence among us both as individuals and as a church community by wearing red and by celebrating our diversity and universality.

We are blessed with a faith community whose members come from many different nations and speak in various languages. Proclaiming the first and second readings were Stephanie Gelderloss (Netherlands/Dutch), Sing-Yi Tzen, (Taiwan/Chinese), Norma Doyle (Canada/French), Bona Barth (Philippines/Tagalog), Carolina Fulper (Columbia/Spanish), Marie-Therese Hocott, (Lebanon/Arabic), Carlos Cesnik (Brazil/Portuguese), Kimberly Ancheta (Philippines/Tagalog), Sue Hakim, (Syria/Arabic), Marie Dubreuil (Haiti/French). The gospel was proclaimed by Fr. Jim in Italian and Fr. Kusi in Fijian.

We come from many nations... Norma Doyle (Canada) & Fr. Kusi (Fiji)

We wore red...the color of the Holy Spirit & the tongues of fire.

Truly we are a world wide church!

The **EDGE** is about **Service, Fun & the Spirit!!!**

Monday Youth Group Sessions

The Edge Middle School Youth Group has been busy!! We had great Monday Youth Group sessions where we dealt with many aspects of our Faith. We talked about what we believe as Catholics, and the importance of Lent, just to name a few.

Monthly Activities

The Edge also had great monthly activities. The Edge focuses on bringing the youth together through a variety of service and social events each month. For example, in February, we went to the Village Senior Center at St. Joseph in Ypsilanti. The youth played along with the seniors as well as running the game of Bingo. They

even let the youth win some prizes! (Yummy candy treats). Another great service project we did took place in March. The "Caring Cards Project" was a lot of fun for the youth!! Over 30 youth came to the PAC to make cards for the homebound parishioners of St. Francis. These parishioners were able to receive these Happy Easter and Thinking of You cards to show that they were thought of and were special.

Social Events

We also had lots of fun social events. We went ice skating in January at U of M. Then, in April, we went to Zap Zone Lazer Tag which is always a favorite!! We ended the school year with a pizza party fun night which was a blast for

everyone. One of the favorite events of the night, besides the pizza, was the scooter relay races.

For more information on these and other great events and activities planned please read the weekly Forum or visit www.stfrancisa2.com then click *Middle School Youth* link.

ebuilding Together - Christmas in April: *THANK YOU!!!*

What a glorious and remarkable day Saturday was. And, even more amazing than the good weather in Michigan on an April weekend was the energy, enthusiasm, dedication and effort that ALL demonstrated throughout a long work day. Ben, our homeowner's son, said it best when he told me at the end of the day that he was stunned not only by all the work that was accomplished, but, also by the way we all went about it. He said that every conversation he overheard was not "How can we get this done and go home?", but exactly the opposite as if every single person was treating each task like it was their own home. Since then our homeowner has been on the patio thoroughly enjoying (in her words) her "new yard" watering and tending to the flowers and bushes.

Volunteering with the "Christmas in April - Rebuilding Together" effort is a commitment to serve for just one day, at just one house with about 25 other awesome volunteers here in Washtenaw County. It is always a surprise to see so many homes in such bad repair. The homeowner

selection process gives priority to low-income, elderly persons who cannot maintain their home on their own and have no family members available to help them.

St. Francis volunteers along with others, revitalized a house in our community. **Tasks we helped with included:** Bathroom repairs; Deck repair/replacement; Carport repair/painting; Plenty of yard work and planting flowers.

Rebuilding Together, plan on the last Saturday of April in 2008! Thank you for making this year such a success, *Brian O'Neil.*

A BIG THANK YOU to St. Francis Volunteers (& friends): Maximus Alexander & "Maximus Construction",

Bonnie Banks, John Batteh, Elizabeth Batteh, Mark Coley, Bernardo Gonzalez, David Gottlieb, Brooke Hasluck, Jeffrey Hadley, Mary Heffelfinger, Paul Kunath, Anya Holodnick, Cherie Holodnick, Sarah Jarzembowski, Mary LeMire, Ernestine McGlynn, Debbie Melican, David & Molly Mengebier, Brian O'Neil, Roger Parlett, Sarah Prince, Linda & James Wiseman, Sacha Seide, John & Lee Anne Shaheen, Scott Waclawik, Andrew Wolfe, Scott Wright, Chuck Yonka, Caitlin & Brad Roth, & Theresa Roth.

Stephen Minister: *a listening companion on this earthly journey*

Our Stephen Leadership Team at St. Francis Parish is alive and changing. We will be welcoming two new leaders in August. Watch for the Team update in the weekly FORUM. We thank & pray for all of our current Stephen Leaders: Marty Javornisky, Karen McClellan, Nick Synko, Kathleen Tobey. We appreciate their faithful service to the Lord Jesus through this good ministry. And, we especially recognize the contribution made to our ministry by Ginger & Mark Hadd as they finish up their leadership term and focus on their career and employment options.

Bless our Stephen Ministers: It has been one year since our parish trained

and commissioned 16 Stephen Ministers to serve as good listeners and companions on the journey for parish members who ask. We pray for God's blessing upon them and especially upon the persons with whom they care.

Since June 2006, 17 care receivers have been served. Currently 10 care receivers are being served (6 female; 4 male) with a personal one-on-one meeting for one-hour each week.

Please consider joining in this much needed and well-ordered ministry. **Our next training class for Stephen Ministers is being planned for January 2008.** You can help people in our community get the kind of help that is desperately needed – **a listening companion on this earthly journey.** For more information visit: stfrancisA2.com/stephen

Sharing

A little over a year ago, a somewhat plain black bin appeared near the east parking lot of the church. This bin is used for donating still usable clothing and shoes. An organization known as **HERO (Homeless Empowerment Relationship Organization) of Washtenaw County** collects the clothing and shoes.

The **HERO** clothing collection program helps people in our community who are either homeless or at risk of becoming homeless. Reusable clothes and shoes are handed out for free, traded with other agencies to meet local needs, or sold for funds to support programs for these clients.

Since the bin was placed at St. Francis, **HERO** has collected approximately 34,000 pounds of clothing, which is equivalent to 1,710 full bags of clothing. Marti Rodwell, executive director of **HERO** said, **“Please let everyone know how much this support means to HERO and to the clients who benefit from your kindness and generosity.”**

The parishioners of St. Francis Parish deserve a big “thank-you” for your generous donations.

Going South *-(Contd from page 1)*

As part of our effort to be part of the long-term solution to the challenges to the people of New Orleans wrought by Hurricane Katrina in August 2005, **we are now proposing a fifth "GOING SOUTH" trip to New Orleans.** On this trip we will assist Catholic Charities of New Orleans in gutting houses and/or beginning the rebuilding. We will also attend mass and visit with the community of St. Paul the Apostle Catholic Church, our twin parish. If you are interested in **GOING SOUTH 2008**, please contact: Debbie Melican

(734-222-6322) dmelican@umich.edu or Scott Wright (734-821-2121) swright@rc.net. We hope to confirm a date (or dates!) by the end of the summer. You are invited to our first planning meeting: **Friday, September 7th at 7:00 pm in the school library.**

Sixth Annual

Educational Trust Fund Benefit Shines

The sixth annual St. Francis of Assisi Catholic School Educational Trust Fund Benefit was held on May 11th. *Starry Starry Night ~ A Million Reasons to Shine* was the most successful benefit ever, raising over \$70,000 in net proceeds.

The Kensington Court ballroom glittered with the art of St. Francis school children as a record crowd of 314 guests supported the evening's festivities. Music provided by students from the St. Francis band entertained the audience as they mingled over hors d'oeuvres and bid on silent auction items. Colorful quilts, and tables adorned with students' artwork were crowd favorites creating some competitive bidding.

After dinner, Lucy Ann Lance, morning host of Talk Radio 1600 WAAM and St. Francis parishioner, served as master of ceremonies for the program. A ballroom dancing

David & Lisa Filipe

showcase and music provided by DJ Dorian Deaver inspired the crowd to dance the night away. Bidding over One-of-a-Kind Treasures such as "Principal for the Day" with Ms. Collins, U of M football season tickets, a weekend in Chicago and a labradoodle puppy was fast and furious during the live auction, thanks to auctioneer Steve Gross.

The real winner of the night was the Educational Trust Fund, as proceeds from the evening will help build the principle of the Fund. The corpus of the Fund is invested, and interest is generated. Each year, a percentage of the interest is deposited in the school's operating budget to assist with a variety of operating expenses.

This year the award totaled \$38,000. In the 2007-2008 school year it will increase to \$42,000.

Event chairpersons Dave and Lisa Filipe, whose three daughters attend St. Francis School, thanked all who attended the benefit and made heartfelt comments on what the school community means to their family. In addition, they thanked the many volunteers and

committee members who helped to make the evening possible.

Knitting Into the Mystery

Our new shawl ministry is a way for the faithful to serve by knitting or crocheting warm, colorful shawls the group hopes will literally wrap recipients in prayer. Recipients can be parishioners who are experiencing a challenging time in their life such as illness, the death of someone close, a new baby, or perhaps a newly married couple. The group also knits infant hats and booties that are delivered to the hospitals.

Share yourself and your stories as you work on a shawl. We begin with prayer and also silently pray for the person who will be receiving our shawl as the creating process is taking place. As a group, we pray together over each shawl that is finished and bless it (thus the term "Prayer Shawl" ministry).

Heavenly Father, bless our hands as we knit today. May each twist of the yarn guide us to create a pattern of love and comfort in our work and remind us of Your ultimate protection. Wrap us in Your spirit so that we will be more caring towards those in need. Grant us patience as we create these shawls. And bless our handiwork as it travels to bring comfort and peace to someone in need of Your warming embrace.

We welcome our new members to the Catholic Church: Easter Vigil 2007

The central event in the journey through the RCIA (Rite of Christian Initiation for Adults) process is the celebration of the Easter Vigil.

Over forty adults and children were initiated into the Catholic Church this year at St. Francis. These new members were supported by the Initiation Team who helped facilitate the process, Sponsors who were companions for each individual during their formation, and the entire parish community through their prayers.

All of these new members of our Community of Faith now share with us at the table of the Lord. If you or someone you know would like to learn more about the Catholic faith please call Marty Lucas at 821-2125 or email mlucas@stfrancisa2.org

Lord, You have nourished us with your Easter Sacraments. Fill us with your Spirit and make us one in Peace and Love.
