ENCOUNTER CHRIST!

Meet Jesus through the woman at the well, St. Thomas, and St. Paul

Thursday, Feb. 20, 21, 22 and presents three different encounters with Jesus Christ.

Mark delivers a dramatic presentation each evening that is dynamic, passionate, thought-provoking, and brings these people to life. Through him, the **Woman at the Well, St. Thomas the Apostle, and St. Paul** will speak to you about their lives and experiences and how encountering Jesus changed their lives dramatically.

Come, get to know Jesus through some who were closest to Him and dig deeper into the Scriptures to discover who Jesus is to you. **For more information, contact Marty Lucas at 821-2125 or mlucas@stfrancisa2.org.**

Have you ever had a life-changing encounter? One moment and you knew things would never be the same? Perhaps when you met your future spouse, or the moment you cradled your newborn child?

Throughout scripture we see several life-altering encounters

between God and man. The Gospels give us a "boots on the ground" glance at the beautiful intimacy God desires to enjoy with each one of us. Jesus Christ portrays this as He ministers to the "least of these."

Mark Price returns to St. Francis at 7pm **Tuesday/ Wednesday/**

LENTEN OPPORTUNITIES

COME EXPERIENCE MERCY FRIDAYS

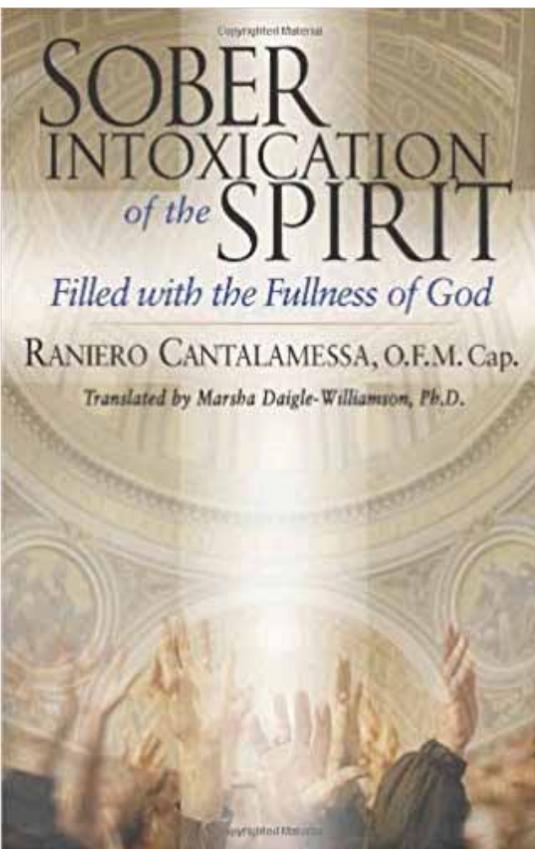

This Lent, following the 8:15 a.m. Friday Masses on Feb. 16 & 23, and March 2, 9, & 16, join us for breakfast and a short talk on the Holy Spirit (9:20 a.m.) in the Parish Activities Center. We'll give a short presentation each week on the role of the Holy Spirit, using the thought and commentary of the preacher for the papal household, Fr. Raniero Cantalamessa.

We'll summarize his commentary on the Holy Spirit (and make it easy to understand) for 30 minutes over breakfast and then allow you to discuss the role of the Holy Spirit in your

own life. You'll be on your way with new insights by 10:30 a.m.

Ellen Ward, along with team members Kelly Hernandez, Scott Wright, and Jake Kanitz, will be heading up the presentations and facilitation of our morning. Fr. James Conlon will be leading a special session on March 16 regarding Prayer to the Holy Spirit with opportunities for the gift of prayer.

Plan to join us for this unique opportunity to know and even encounter the Lord through the Holy Spirit. Please help us plan by signing up at: stfrancisa2.com

JOIN A LENTEN SMALL GROUP

We will be reading "Sober Intoxication of the Spirit: Filled with the Fullness of God" by Raniero Cantalamessa, O.F.M. Cap.

Fr. Cantalamessa is an internationally acclaimed speaker and writer, who in 1980 was appointed as the preacher to the papal household and continues to serve in this capacity under Pope Francis.

In his book, he reminds the reader of the immeasurable power of the Holy Spirit for each baptized believer.

As seen in Sacred Scripture and the Church Fathers, the Holy Spirit is the action of God,

made available through the sacraments---most especially in the Eucharist---that purifies us of sin, renewing the spirit and enlightening the mind.

Small Groups meet on different days and times, choose one that works best for your schedule.

Sign-up can be found on our parish web page or in the weekly bulletin.

If you are interested in forming your own small group, contact Kelly Hernandez at: khernandez@stfrancisa2.org or (734) 821-2122.

St. Francis is hosting a coffee and chat with a priest (with maybe confession) **all day on March 8** from 10 a.m. to 10 p.m. in the Parish Activities Center. We'll provide the coffee (or tea) and some snacks. Come yourself or come with a friend who you think might benefit

from a talk with a priest.

HIGH SCHOOL YOUTH MINISTRY

MEANINGFUL MEETINGS

Inspiring teens to be on fire for Christ

Spring is right around the corner — can you smell it in the air? I'm excited for this fresh start for the new year! During this time of the year, the SFA High School Youth Ministry has some exciting things planned, like having meaningful meetings on Sunday evenings that the teens can implement into their daily life, Shelter in the Gym in March, going to Wixom for a retreat to join 600+ other high school teens to deepen their relationship with Christ.

The teens are encouraged to do things for others, like bonding with the homeless and making gifts (pictured on the right) for our wonderful mothers.

Join us for the Cross in the City on Good Friday at 12 noon as we recall the events of Christ's passion and death. Keep an eye out for updates in the bulletin or on the St. Francis web site. Any questions: contact Jake Kanitz at jkanitz@stfrancisa2.org

WORLD YOUTH DAY — HOW YOU CAN HELP

During this pilgrimage to Panama Jan. 21-28, 2019 we will participate in a life-changing faith journey with millions of other Catholics, in which we will share our faith and grow as fearless missionaries of Christ! Donated funds will help us defray the cost of transportation, room & board. They will be combined with other on-site fundraisers, and a portion of all the money raised will be used to relieve the material needs of a Panamanian parish.

We will be selling **pies for your Easter meal** and **items** from Equal Exchange **for Mother's Day**. Look for more information in our bulletin and on social media. The most important thing we ask for you is your prayers for gaining a closer relationship with Christ and that this experience will allow us to be joyful about sharing our faith with the world. Second, we ask for your financial support to make it to WYD and back. We have a GoFundMe campaign at : <https://www.gofundme.com/pilgrimage-to-panama> or if you have any recyclables cans and bottles there is a recycle bin outside of the Church (photo left) by the bike rack next to the PAC.

Philosophy and Mission Statement

*St. Francis of Assisi Catholic School is a family-centered ministry of the St. Francis of Assisi Parish community where each student is valued, respected, safe, protected and nurtured as a unique creation of God. We challenge our students spiritually, academically and physically to **learn, care and lead** as they work to discover the plan that God intends for them. As followers of Christ, we strive always to instill in our students the message of St. Francis of Assisi ... "Preach the Gospel always, and when necessary use words."*

Greetings to the St. Francis community!

In my two short months as Director of Development and Events at St. Francis, I have been collaborating and communicating with Parish Team members, school staff, parishioners and school parents in order to effectively analyze and coordinate the fundraising efforts which support the financial needs of our parish school.

This is an important endeavor and to have an office of development in a K-8 school in the Diocese of Lansing is unique. It speaks to the commitment of the St. Francis Parish to have specific monetary goals to be able to keep tuition rates as low as possible without sacrificing academic needs so as many families in our community can choose a Catholic Education for their children.

I come to this position with the view of an educator and principal, a parent of a St. Francis Catholic School student, and as a parishioner in the pew. Serving for 6 years on Parish Council afforded me the opportunity to learn about the school and work with the Development Office and Mrs. Pritzel from an administrative angle. In addition, over the last 7 years I have volunteered at the school, for Witness to Hope, and most recently co-chaired the annual ETF Benefit. And what has resonated with me from all these experiences is the tremendous number of dedicated people in our parish and the community at-large who share the same vision. With joy in our hearts, we share of our gifts and talents to provide for current and future needs of our strong and vibrant parish school.

As I was so warmly welcomed to St. Francis in 2010, I welcome you as a committee member, event volunteer, participant, or a contributor at any of our upcoming events!! Fr. James, Mrs. Pritzel, Mr. Scott and I are most grateful for your ongoing support.

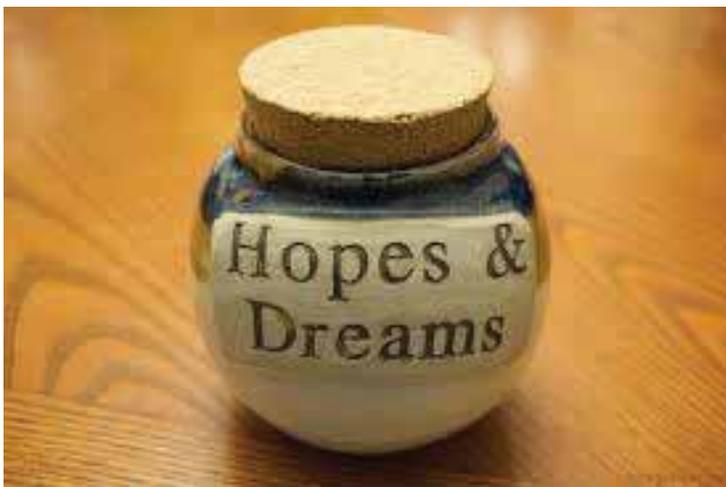

Let's work together to provide the best Catholic education possible at our Parish School for years and years to come!

Educational Trust Fund Leadership Circle

The Educational Trust Fund (ETF) at St. Francis of Assisi Catholic School is all about preserving the outstanding Catholic education provided at our school. To ensure strong, consistent growth of our Trust Fund over time, a new initiative launched in 2011 to build an “ETF Leadership Circle.” The ETF Leadership Circle is comprised of families who make a multi-year pledge to the Trust Fund of at least \$1,000 per year, for five, consecutive years. Leadership Circle membership includes two complimentary reservations to our annual ETF Benefit.

Many families have committed to participating in the ETF Leadership Circle. This is a tremendous blessing to help ensure the strong, consistent growth of our Trust Fund over time. That in turn enables a strong, consistent award to our school each year to support operations. The 2017-18 award to the school is \$92,000 — the highest ever — and the anticipated gift for 2018-19 will be even higher!

Father James, Mrs. Pritzel and the ETF Trustees extend heartfelt thanks to these families who have responded to a “call to leadership” and invested in the future of outstanding Catholic education at St. Francis of Assisi Catholic School.

As Catholics, we are called to give thanks for what God has given us by investing in the present and future of the young people in our Catholic community. Please prayerfully consider if this is the year for your family to join our ETF Leadership Circle. You are invited to contact the Development Office at development@stfrancisa2.org or 821-2208 for more information.

ETF BENEFIT (School Operating Budget /Current Family Tuition Assistance):

Mark your calendars: **October 27, 2018!**

The proceeds garnered from this event are invested in the St. Francis Educational Trust Fund and an annual award (2017-18 \$92,000!!!) is given for the school’s operating budget. In addition, \$30,000 was raised for Tuition Assistance at the 2017 event! For details, contact Diane at 734-821-2208 or email development@stfrancisa2.org

ST. FRANCIS CATHOLIC SCHOOL

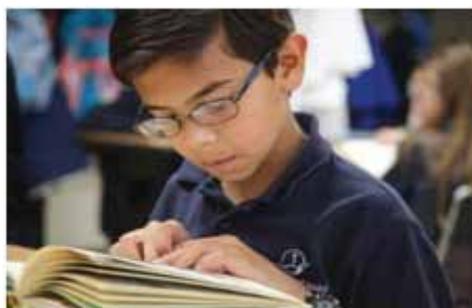

ST. FRANCIS OF ASSISI CATHOLIC SCHOOL

A school of faith, knowledge, and service — by Julie Fantone Pritzel, Principal

FAITH: Students attend mass every Friday with their home-room classes. They gather in prayer together daily in their classrooms and pray intercessions. Each day reflects our commitment to Jesus and His beloved Father. We work to encompass our faith in our interactions with the children on a daily basis. Our classrooms and school culture center on the virtues we are called to live each day: generosity, gratitude, kindness, obedience, prayerfulness, respect, sincerity, and responsibility.

We also love our traditions. One of our annual favorites is our Saints' Mass. Our 2nd grade students study a specific saint and then during a school mass, dress up as the saint. We also continue the beautiful tradition of the clay nativity set in art class. Any St. Francis graduate knows about these nativity sets.

KNOWLEDGE: Students at St. Francis work collaboratively. Building a team that learns from one another and grows together is one of our main goals as a Catholic School. High academic expectations are another sign of the amazing work God is doing through our own students' dedication and focus on their academics. We have seen great growth in our students' test scores this year as we have fully implemented differentiated

instruction in our classrooms for mathematics.

SERVICE: Throughout Advent, we worked to collect coats and winter supplies for children in need. What I saw as most impactful to the students was their efforts in singing at retirement homes and writing letters to the homebound. It allowed us to be directly connected to our community and share our gifts. Most importantly, St. Francis Catholic School students become activists for a better world even outside of the school hours. We are so blessed to have a community

where our faithfulness and social justice resonate with our children. We look forward to beginning our Lenten project.

Dates to look forward to:

- Our Middle School Musical Theater students will be putting on the musical, The Wizard of Oz on **Feb. 9-10**. Tickets can be purchased in the school office.
- The annual Science Fair is on **Thursday, March 3** in the classrooms from 5-8 p.m.
- **Friday, June 1** from 5-8 p.m. is our annual Ice Cream Social. Please come join us for some fun and celebration as we wrap up the school year.

Come and see what St. Francis Catholic School has to share with your family. Contact us at school@stfrancisaa.org, or call for a tour, 821-2200.

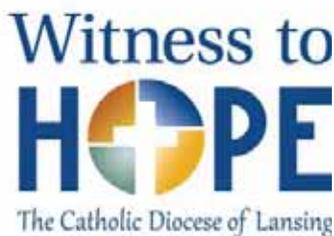

WITNESS TO HOPE/IRELAND PILGRIMAGE

WITNESS TO HOPE CAMPAIGN — WE ARE MOVING ALONG!

Our plans to build a new Parish Ministry Center are really starting to take shape. As of the second weekend of January, we were at \$6 million with 650 pledges toward our overall goal of \$8 million. HOLY LAND COLLECTION / PARISH LENTEN PROJECT FOR INDIA

HELPING OUR CHRISTIAN BROTHERS AND SISTERS IN THE HOLY LAND

Holy Week in 2017 our parish community donated over \$8,000 to support the Christian community in the Holy Lands. I am pleased to let you know that one of the projects we assisted with was the installation of a new heating system for the Terra Sancta Girls School in Bethlehem run by the Sisters of St. Joseph. I received a wonderful thank you from the principal, Sr. Femia Khoury — who assured me that the new system has made a real difference to the students and that we are now in their prayers. As you know the Christian community in the Holy Lands suffers greatly due to the political struggles there. Our act of sharing ensures that not only are the students warm but they can continue to study and build up the Christian community for the years ahead. I feel so proud that our gift has made such a difference. The rest of the money raised was used for a variety of smaller similar purposes. *Fr. James Conlon*

2018 LENTEN DRIVE FOR INDIA

Through our Lenten bulletin articles, we will learn about the great work done in the Diocese of Kottapuram to assist families in time of need, to care for the elderly and the disabled, educate farm workers and help finance small cottage industries that help communities to grow and prosper. Learn, pray and collect your monetary offerings from making sacrifices for those living in harsh poverty conditions. Give in solidarity with those less fortunate. Please return your cash and/or check contributions on **Palm Sunday, March 25, 2018**. Checks are payable to: St. Francis of Assisi, 2150 Frieze Ave., Ann Arbor, MI 48104. We are planning to host the **shelter at St. Francis Catholic School gym on March 12-19.**

Please consider signing up to help at: stfrancisa2.com/shelter-programs/
In addition to our efforts organizing volunteers and resources to give practical support for those in need, we also encourage our parish to give financial support by using **special collection envelopes for: Habitat for Humanity, Friends-in-Deed-Circles, RAAH Religious Action for Affordable Housing, Hope Clinic & the Dormitory at St. Joseph Academy in Kakamega, Kenya.**

And, of course every week all year long, members of St. Francis Parish bring non-perishable food items to Mass that are delivered by volunteers to local pantries. Volunteers deliver this food to the Northside Community Center of Catholic Social Services in Ann Arbor, and Hope Center in Ypsilanti, feeding over 50 families a week.

Groceries are needed, and volunteers are also needed to help with our **food drive** on weekends between **April 7-15, 2018, during Easter Season**, for our low-income neighbors who rely on our weekly food deliveries from St. Francis to the pantries. We will distribute empty bags the weekend of April 7-8, and deliver the donations on April 15. Especially needed: canned soups, peanut butter and jam, or any lunch foods.
