

Sister Parishes Share a Retreat at St. Benedict

On April 29th, the eighth grade students from St. Francis School journeyed to Highland Park to visit our sister parish. The students were joining the eighth grade students of St. Benedict School for a joint retreat.

The retreat included a tour of St. Benedict Church which is said to be one of the most beautiful churches in the archdiocese of Detroit. Each

school shared a prayer service they had prepared, and worked together on a scripture activity about emotions. The students also enjoyed some recreational time in St. Benedict's large gym, and a wonderful lunch provided by St. Francis. Combining our resources enriched our retreat experience and helped strengthen our relationship.
